Business:

- Bingo – no guarantee that there won't be day shifts needed. Do we still think we want to do this? Or have more frequent "smaller" events throughout the year? Would put us in a better financial position, without the hassle of jumping through hoops for Bingo? Discuss.
- Cookie Dough – minimum order of \$600.00 needed for free delivery. Is this possible at our school?
- Open House – cake auction was a hit! Made almost \$400
- Krispy Kreme not possible this year. Run a different fundraiser before Christmas. Which one? Discuss.

Reports:

- Treasurers report
- Teachers report
- Principals report
