## Message from the Principal

Happy Winter Holidays! (a day earlier than expected!)

First off, please let me tell you how much I have missed the students, staff and you this fall. I wanted to let you know that in the New Year, my plan is to come back to work on January 9th part time. Janice MacKenzie will also be there as Principal and we will work together as a team. This will allow me the time to reestablish relationships and get my feet under me.

It is hard to know how I will handle everything, but I am really hoping it will just be for a few weeks and then I will be back to work full time.

I hope you all have a wonderful break and I look forward to seeing you all in January!

Kerry
