## Message from the Principal

Hello everyone:

What a beautiful week we just had! We ended off our week with a Free-time Friday as a special treat and a way to enjoy the weather. Students were outside enjoying the sun and our many yard games. I am sure we are still in for some cooler weather, but we wanted to enjoy it while we could.

On Thursday, Mr. Killen fixed up our pea gravel by the climber and everyone had so much fun playing on it! Check out the photos below.

Have a great weekend,

Kerry

## Come Cook with Us @ Home

Our Family Cooking Challenge will start this week. Families who have registered will have received a phone call from the Peterborough Public Health Unit to explain the challenge. On Monday, April 17th we will have the coordinators here at school handing out the gift cards. If you are unable to make it to the school, we will send the cards home with your child.

Remember that in order to participate in the second week, you need to send a quick note or photo about your experience. Please send these to: [ljack@peterboroughpublichealth.ca](mailto:ljack@peterboroughpublichealth.ca).

Looking forward to seeing what you create!

## Dental Screening.

On May 1st and 2nd, students in grades JK/SK/2/4/7 will be having dental screening here at school. This is a free program coordinated by the Peterborough Health Unit.
