

## Rationale

Everyone has the right to be safe and to feel safe, welcome and included at school.

## Responsibilities

- Safety is everyone's responsibility.
- Everyone in our school community is responsible for promoting safe, caring relationships that respect human dignity.
- Everyone is responsible for preventing harm.
- Students, staff, volunteers, parents and guardians have additional responsibilities unique to their roles.

## Standards of Behaviour

- We value one another and treat each other with respect and dignity.
- We educate our students to be caring, responsible community members who protect everyone's physical, social, academic and emotional well-being.
- Bullying and harassment in any form are wrong and hurtful. Bullying is aggressive and typically repeated behaviour that is intended to cause harm, fear or a negative environment for another individual. Bullying is an abuse of power, authority or control over another person or group. It is never acceptable.
- Everyone has a role to play as we work together to prevent, identify and respond to bullying and exclusion. We all are accountable for our actions.
- Where bullying does occur, we respond in a manner that is fair and appropriate, to build relationships that are respectful. Restorative practice is one strategy we use to prevent, and repair the harm caused by, bullying and exclusion.
- We also use progressive discipline to prevent and respond to behaviour that violates this Code of Conduct. Consequences for unacceptable behaviour may range from warnings, to suspension or expulsion.

Where bullying does occur, we respond fairly and appropriately, to build respectful relationships. Restorative practice is one strategy we use to prevent, and repair the harm caused by, bullying and exclusion.

**Bullying, by definition:** is aggressive and typically repeated behaviour by a pupil where:

# **6. Strategies to Promote Positive Student Behaviour**

## **6.1 Prevention Strategies**

Schools in KPR promote academic excellence through the character attributes of respect, integrity, responsibility, honesty, empathy, fairness, initiative, perseverance, courage and optimism to enable all students to reach their full potential. Schools also use restorative practice, an approach that manages conflict by repairing harm and strengthening relationships. It holds the individuals causing harm accountable for their actions, and it allows everyone – the person harmed, the person causing harm and others affected – to express the harm that was caused and any resulting needs. Restorative practice allows reparation (“making it right”), healing and reintegration, while preventing future harm. It may include responses ranging from informal conversations or meetings, to formal restorative conferences.

In addition, the Board’s Code of Conduct sets clear standards of behaviour that are firm and fair. These standards apply to everyone in the school system – students, parents, guardians, volunteers, employees – whether on school property, on school buses, at school-related events or activities, or in other circumstances that could affect school climate.

**Prevention strategies** are designed to:

- establish a positive school climate maintain effective classroom management and discipline encourage,
- reinforce and reward positive behaviour promote social skills development
- provide information regarding anger management programs
- use peer counselling and conflict resolution
- use effective, respectful home-school communication.

## **6.2 Supportive Intervention Strategies use:**

- “teachable moments” (using a current situation or news story to teach students a valuable skill or lesson)
- verbal reminders, redirection and reinforcement
- interviews, discussion and active listening
- offering positive choices to support positive behaviour/citizenship
- problem solving techniques including restorative practices
- contracts for expected behaviour
- appropriate outside agency support

- learning and information-sharing to better understand people and situations.

## **6.3 Community Threat Assessment Protocol**

The KPR school board also has a Community Threat Assessment Protocol (CTAP) in place with many local agencies and police services. When student behaviours pose a potential threat to safety or risk of serious harm, the CTAP helps principals take immediate steps to protect student well-being & respond to threatening incidents. Please speak with the principal for further information on this protocol.

# **7. Consequences for Unacceptable Behaviour**

Consequences for unacceptable behaviour are appropriate to the individual, circumstances and actions. Schools use progressive discipline, with a range of responses, supports and restorative practices that promote positive behaviour and inclusive school cultures.

Consequences are firm, fair, clear and appropriate to the student’s age and development.

They include learning opportunities, to reinforce positive behaviours and help students make good choices. For students with special education needs, consequences and supports are consistent with the student’s Individual Education Plan (IEP). The Board, principals and vice-principals consider all mitigating and other factors, as required by legislation.

Progressive discipline and restorative approaches are outlined in detail in the Safe, Caring and Restorative Schools Manual for administrators.

## **7.1 Consequences may include one or more of the following:**

- warnings

## **Information Regarding Search and Seizure**

School administrators will respect the privacy of each person and have the authority to search school property such as lockers, desks etc. without notice or permission of any person as directed by the Education Act. Personal property such as knapsacks, purses, etc. may become subject to search according to Board Policy.

The Kawartha Pine Ridge District School Board is committed to providing safe learning environments for all students, staff, school visitors and community members. When students behave inappropriately, principals may use progressive discipline to help students take responsibility for their actions, change their behaviour, learn from their mistakes and make things right. The Community Threat Assessment Protocol outlines how a school responds immediately to serious threatening behaviour. In situations where there is a concern for safety due to serious threatening behaviour, the principal may choose to utilize the Community Threat Assessment Protocol to gather information and seek appropriate support.

## **Promoting Respect through Student Clubs/Groups/Activities**

In keeping with the Board's Equity, Diversity and Inclusion policy (B-3.2) and administrative regulation (B-3.2.1), all schools within KPRDSB, including Highland Heights, welcome and support students who wish to lead or participate in school clubs, groups, or activities that promote safe, accepting, equitable, positive, diverse, and inclusive environments. This includes activities that promote anti-racism, gender equity, respect for people living with disabilities, and for people of all sexual orientations, gender identities and expressions (including clubs, groups or activities with the name Gay-Straight Alliance or GSA).
