3. Comment briefly on the effectiveness of the operation of the School Council:

The Highland Heights School council was a small but effective group. Again, Covid 19 protocols and limitations made fundraising difficult. Laurie Marshall, treasurer, organized a wonderful virtual Internet Safety presentation, which we used PRO grant funds for most of it. A virtual Internet Safety presentation was also made available to grade 6/7/8 students.

**4. Do accurate and complete records of the work of the School Council exist?
In what form?**

The hard copy School Council meeting agendas and meeting minutes are located in a binder at the school. An electronic copy of these are located the school council flash drive. Financial reports are also included in the hard copy binder at the school.

5. Comment on a major accomplishment of School Council this year.

Despite the fact that Covid 19 forced many of our usual fundraisers into non-existence, we did successfully run an online Under One Sun ornament fundraiser as well as an online bookfair, and the Internet Safety presentation.

6. Comment on a major area of proposed growth in the coming year.

The School Council would like to distribute a parent survey near the beginning of next school year. The purpose being to gather ideas and information on how to better represent what the parents would like to see, as fundraisers, activities, and where to spend fundraising money.

7. Final Comment(s):

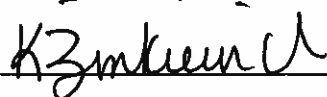

Being a small school, of course it would be great to have more parent involvement on Council. We will continue to encourage parents to join, and always are available to hear input from our Highland Heights families

8. Financial Status of School Council:

At the final school council meeting for the year, on June 1, 2021, it was reported that the financial accounts had a total of \$1000.00 in the Playground account and \$2060.33 in the general school council account. However, at the end of June 2021 when all programming was paid for the Playground account had \$1000.00 in it and the general school account had \$1229.55 in the account which was reflected in September 27, 2021 Treasurer Report.
